

# News from the Electrical Inspectors

## Special Points of Interest:

We are now STILL IN THE 2008 National Electrical Code. Hopefully we will see the 2011 National Electrical Code adopted this year in 2012.

VOLUME 12, ISSUE 1

JANUARY 2012

## Continued Education from I.A.E.A.

**January 26, 2012**

**Greensboro**

Public Safety Training Facility  
1510 North Church Street  
Greensboro, NC 27405  
Phone: (336) 373-2449

This happened upon a four unit apartment during my inspections in Winston-Salem. How many violations can you find? Yes, they are energized and there are exposed live parts less than 3' off the ground.

Code Questions and Concerns: Please send any questions or comments to [marklt@cityofws.org](mailto:marklt@cityofws.org) enter CODE QUESTIONS under subject. We would like to hear from you.

Thanks,

Mark Tighe
