

3RC The EnviroStation

Permanent Household Hazardous Waste Disposal Facility Sponsored by the City/County Utility Commission

WHO: This service is free for all qualified residents of the City of Winston-Salem and Forsyth County. Wastes generated by commercial or industrial businesses are not covered under this program. Call 3RC for business rates.

WHEN: **Tuesday thru Friday, 9 a.m. to 2 p.m., Saturday, 9 a.m. until noon**, except holidays.

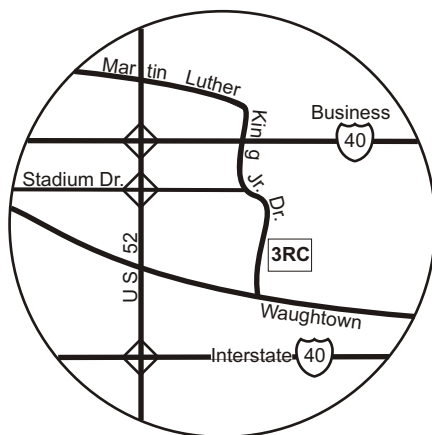

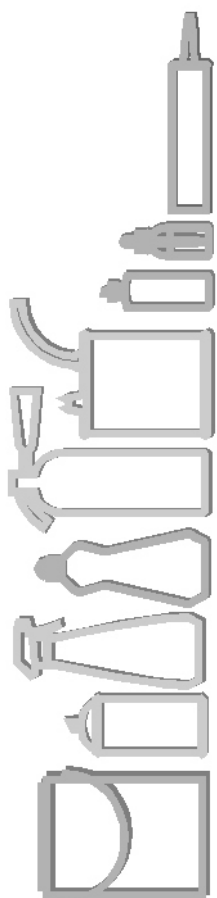

WHAT TO BRING: **Household hazardous wastes:** metal polish, oven cleaners, rug shampoos, bug sprays, rat bait, pesticides, gasoline, fuel oil, antifreeze, brake fluid, car batteries, glues, strippers, thinners, solvents, batteries, unmixed photographic materials or other poisonous, ignitable, corrosive products, motor oil and paints, **cyanide waste***, **fluorescent light bulbs***.

Keep hazardous waste items separate (**do not mix**) and in their original containers wherever possible. If the label is unreadable or a material is in a different container from the original, label the item. We suggest you put these items in a cardboard box lined with newspaper.

WHAT NOT TO BRING: Do not bring regular trash, or recyclables; dispose of these in the usual manner. **AMMUNITION, EXPLOSIVES, RADIOACTIVE OR INFECTIOUS MATERIALS**, will not be accepted.

DROP OFF MATERIALS: Take the items to the 3RC facility, across from Bowman Gray Stadium at 1401 S. Martin Luther King Jr. Drive, any time during the hours mentioned above. Enter the facility through the gate and circle around the containment area. Do not leave your vehicle. A 3RC employee will ask for proof of Forsyth County residency (driver's license), unload the materials from your vehicle, and ask you to fill out a simple form. It's easy and convenient.

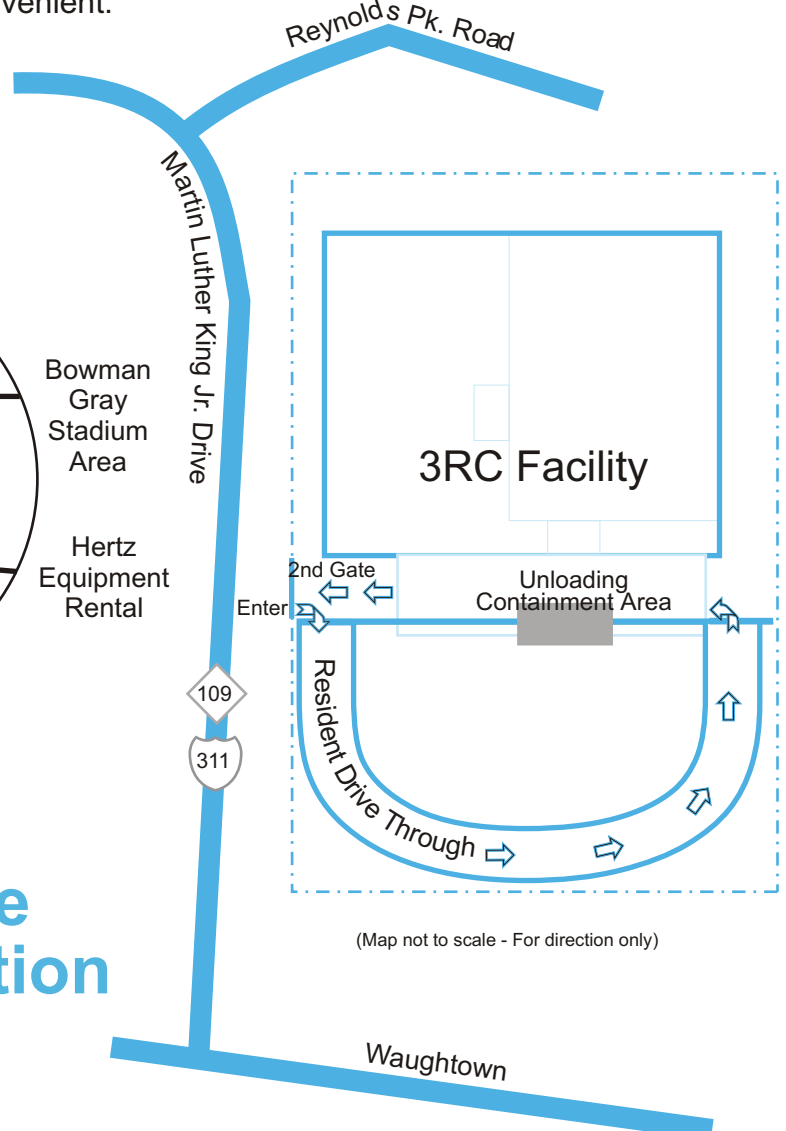

QUESTIONS: **3RC-The EnviroStation:**
