Dear TAC Member:

On behalf of the Winston-Salem Urban Area Metropolitan Planning Organization (MPO), I would like to take this opportunity to thank you for your participation in the transportation planning process. As a member of the Winston-Salem Urban Area MPO's Transportation Advisory Committee (TAC), your input is critical to the improvement and success of the regional transportation system. By attending meetings of the MPO, you will remain informed about local and regional transportation issues and will help chart the course for future projects.

To assist you in your participation in the MPO, the staff has prepared this handbook that summarizes the major steps and explains the major products in the transportation planning process. This handbook also contains committee membership rosters and by-laws, the Memorandum of Understanding (MOU), and the newly revised Street & Highway Map for the Winston-Salem MPO area.
