Request for Qualifications

Special Inspections for New Courthouse Parking Deck

Location of Project:

Forsyth County New Courthouse Parking Deck
109 North Church Street
Winston-Salem, NC 27101

Description of Project:

Construction of a new approximately 668 space precast parking deck.

Scope of services:

Selected firm shall provide special inspections for structural steel, soils, concrete, masonry, rammed aggregate or vibro-pier foundations, and retaining walls. Testing and inspections are to be performed in accordance with code requirements, construction documents, and established standards and procedures.

RFQ Responses should include the following:

- Letter of interest
- Statement of qualifications
- Resumes of proposed staff
- Current project listing
- Listing of five past projects of similar size and scope.

RFQ Response Format:

The response shall be limited to 15 pages. Responses are to be submitted in PDF format to andersja@forsyth.cc by **5:00 pm, August 16, 2019**.
